Remote Management

EXPERIENCE

ORENCO SYSTEMS INC. | APPLICATION ANALYST

May 2022 - Present | Sutherlin, OR

- Lead administrator for: Jira Service Desk, Jira Software, Dynamics CRM. Assisted in administrating: MS365, Entra ID and Active Directory, Lansweeper, and the company intranet system.
- Worked with stakeholders to analyze application capabilities and user requirements in order to provide efficient software solutions.
- Troubleshoot, escalated, and/or resolved technical issues with endpoint devices, servers and network infrastructure.
- Worked with a consulting team on a multi-year project to harden the companies cybersecurity infrastructure - assisted directly with Microsoft ATP vulnerability reporting and resolution, as well as various CIS 8.0 tasks as assigned.
